I have found that it's better and easier to use if you download.

But you don't have to. If you click 'join from your browser' then you can do it on the website.

zoom Support English

When system dialog prompts, click **Open Zoom Meetings**.

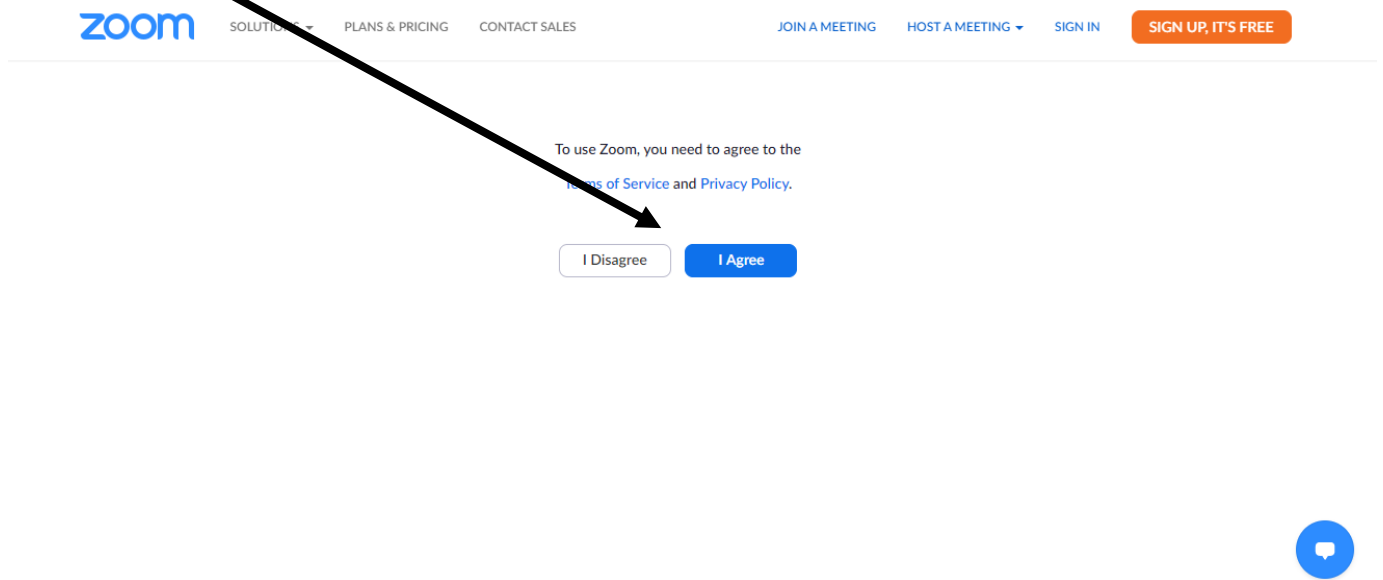

If you have Zoom Client installed, [launch meeting](#). Otherwise, [download and run Zoom](#).

If you cannot download or run the application, [join from your browser](#).

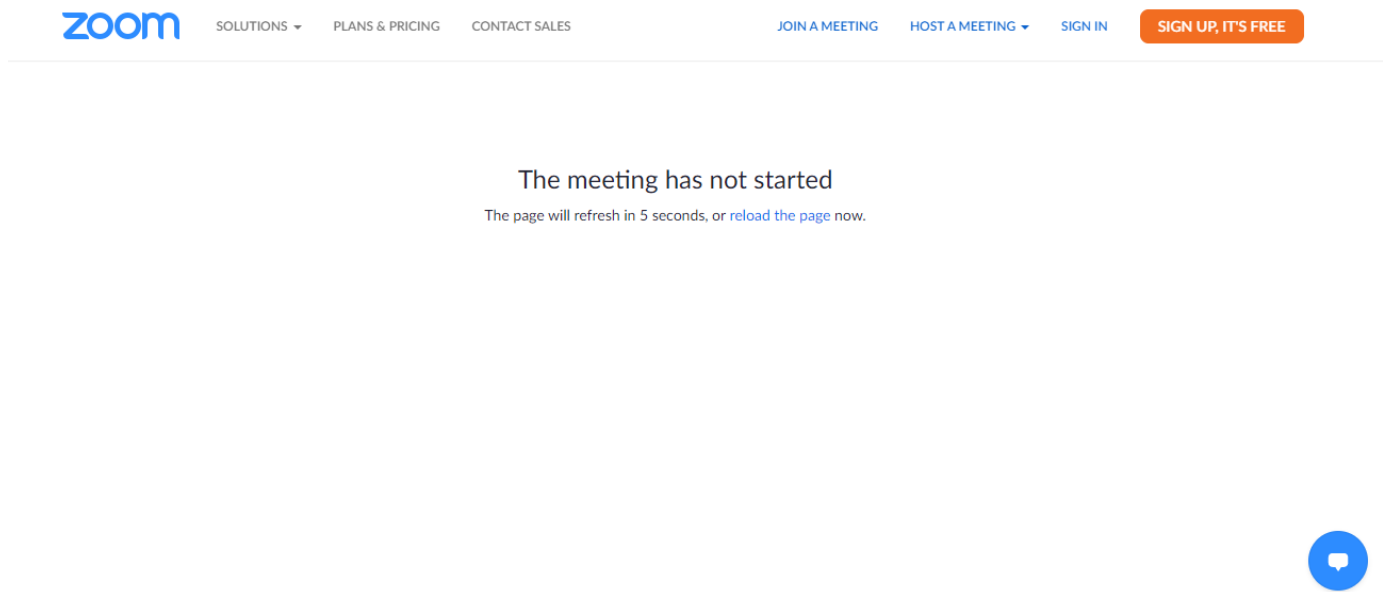

Important Notice: Update to Zoom 5.0 to join your meeting

Click I agree.

If you try to enter early, you will get this page which will refresh and then when the time arrives...

Enter the password and join.

You will then need to put your name and enter. Then wait. I will allow you to enter – so make sure you put your actual name and not something random!

Make sure you're sat in a well lit room (not a bedroom) and not by a window.
