

Codsall
Middle School

a school to be proud of

18th May 2023

Dear Parents/ Carers,

University of Wolverhampton visit for Year 8.

We are excited to welcome a team from the University of Wolverhampton who will be visiting us on the 13th and 14th June for an exciting CSI workshop event to enhance our science curriculum.

Each form group will have timetabled slot over the course of the two days to take part in the workshop, where equipment will be provided by the university. Your child will know when their timetabled slot is closer to the day of the event.

As representatives of Codsall Middle School, we expect **all** pupils to behave in a responsible and mature manner. Please be advised that if expectations are not met, your child may be asked to leave the workshop.

As we are being visited by an outside provider, there is a small cost of **£6** to cover the experience. Please make this payment via Parent Pay by no later than **Friday 9th June**.

Should you have any further queries please contact me directly. Please return the attached slip by **Friday 9th June**.

Yours sincerely,

K. Burrows
