

**Codsall**  
Middle School

a school to be proud of

13<sup>th</sup> January 2023

Dear Parents/ Carers,

Help required for my year 8 pupils and understanding the job market.

Can you help? would you be prepared to present a 15 minute careers assembly?

As part of your child's on going education, we recognise that before they leave Codsall Middle School at the end of year 8 they will have already made important decisions about their option choices for GCSE's. However, many of them will not have made decisions about what A level's, degrees, apprenticeships, or careers they want to do. We also recognise that post education children not only need knowledge to advance but also skills and exposure to a wealth of careers and opportunities, to make these informed choices.

I believe that our children often don't make the connections between what they do in school, what options they choose and how these choices link to a job or career. With this in mind, I am looking to you, our parents for help.

Would you be prepared to deliver an assembly discussing your education to job journey, it would be on a Monday afternoon (2.45pm to 3.10pm). I would like to try and cover as many different careers and career paths as possible.

If you think that you or your company could help me with this mission please contact me at [st@codsall-middle.staffs.sch.uk](mailto:st@codsall-middle.staffs.sch.uk) to outline, your careers journey and which day of the week is most convenient for you.

With much excitement and thanks as always for your continued support.

Kind Regards,

*S. Deas*

Mrs Deas  
Assistant Head Teacher
