a school to be proud of

30th March 2023

Dear Parent/ Carer,

With only a short time left until our residential to Boreatton Park, we want to make sure your child is fully prepared for all the activities they will be participating in. Below you will find a link to a list of all the equipment and kit needed for the trip. A sleeping bag and pillow will also be required as bedding is not provided by the centre.

Please ensure that any personal items of value, are left at home as we cannot be held responsible for damage or loss. **All** belongings need to be clearly labelled with your child's name. Any items left behind will be collected by staff and returned to children at school.

Please also note that there is a strict no mobile phone policy. Tablets and kindles are **not** to be brought on the trip.

Data collection/ medical forms will be sent home with your child after Easter. Please could you ensure that this is **fully completed and returned Friday 21st April 2023**.

We are very much looking forward to seeing the children enjoy themselves in an outdoor environment where they can test their physical and team building skills.

Please do not hesitate to contact me should you require any further information.

Yours sincerely,

N. Hydon
