Middle School

a school to be proud of

Considerate Ambitious Proud

2nd December 2021

Dear Parent/Carer

The Covid Vaccination Team have asked us to pass on the following information:

There is a walk in session for 12-15 year olds to receive their Covid vaccination at Wombourne fire station on Sunday 12th December. The Clinic is running from 10.00am to 3:45pm and you can just turn up – no appointment is needed.

If your child has tested positive in the last 3 months please be advised that your child will not be able to have the Covid vaccine until after the 3 months.

Please can you ensure that only 1 parent/person with Parental Responsibility accompanies your child and where possible please do not bring any other children with you – this is due to the limitations of space in the clinic.

To make you aware we will ask you and your child to wear a mask and we will be maintaining social distancing at the clinic.

Once your child has received their vaccine they will need to wait 15 minutes at the clinic

Please do not arrive more than 5 minutes before your appointment due to the limited space. If you have any questions these can be answered on the day as there will be qualified staff at the clinics.

More information can be found at 12-15 year olds - Together We're Better (twbstaffsandstoke.org.uk)

Yours sincerely

P Baker
