Dear Parent/ Guardian

As you may be aware, the Go4Schools platform plays a central role in school life at Codsall Middle School. As a parent, it can provide you with important, up-to-the-minute information about your child's learning, homework, behaviour and attendance, as well as being the means for accessing reports when we publish them. It is also an invaluable resource to support remote learning.

We suggest that a parent of every pupil registers for the site (and downloads the app if they wish). Accessing Go4Schools daily or a few times a week and receiving push notifications from them means that parents can see how their child is doing without waiting for parents' evenings. We have found that timely conversations between parent and child, whether praising excellent behaviour or discussing issues that may arise, are highly effective in promoting positive behaviour and effort in pupils.

Parents can register for Go4Schools at [www.go4schools.com](http://www.go4schools.com) using the email address that you have provided to the school on the data collection sheet. In the Parent Help Guides section of the website there are step-by-step guides and more background information to help you navigate the process of registering for and using the platform. We have also included some Frequently Asked Questions with this letter to get you started.

We thoroughly recommend that parents begin using Go4Schools very soon, as many parents already are. Once you have accessed the help guides, if you are still having difficulty in registering for your account or would like further information about how the platform works, please do not hesitate to contact me on [kr@codsall-middle.staffs.sch.uk](mailto:kr@codsall-middle.staffs.sch.uk)

Yours Sincerely
