Dear Parents/ Carers,

Sexual Relationship Education

Year 7 pupils will be receiving Sexual Relationship Education in the Summer Term. It will cover relationships and citizenship, personal hygiene, puberty, menstruation and reproduction, the growth of a foetus and development of a baby, contraception and sexual diseases.

There is a strong emphasis in the course on relationships, respect for each other and the function of different relationships and family life.

Parents do have the right to withdraw their child, but I would ask you to contact school if you have any concerns.

Yours sincerely,

S Deas
