

14th February 2022

Dear Parents/ Carers

Year 6 – SAT's Booster Sessions

As we continue to work tirelessly to support your child in their studies, I would like to invite your child for some additional Maths booster sessions.

The sessions will commence after school on a Friday at 3.25pm - 4.15pm every week and starting on Friday 4th March. The sessions will be taken by members of the Maths teaching team.

These sessions are designed to support your child as we prepare for SAT's tests in the spring.

As I am sure you can appreciate, we only have a limited number of spaces and if we feel that your child is making good progress in the sessions and does not require any further support before the six weeks are up, we will inform you immediately.

If you are happy for your child to attend these sessions after school, could you please complete and return the reply slip below no later than **Wednesday 2nd March**.

If there are any further questions, please do not hesitate to contact me.

Yours Sincerely,

N. Cuthbert
