**Post SATs Wellbeing Session – Friday 12<sup>th</sup> May 2.00pm - 3.15pm**

Dear Parent/ Carer,

As a reward for all the hard work the children have put in over the last few months, I am delighted to let you know that we will be offering a variety of activities for the children to enjoy on Friday 12<sup>th</sup> May. The aim of the afternoon is to help the children relax, unwind and enjoy time with their friends.

From the list below the children will be able to choose a first and second option and then places for the activity will be allocated accordingly. The options will be chosen in school and consist of the following activities:

- Cake/biscuit decorating
- Art and crafts
- Board games
- Quiet reading
- Football/Basketball/Netball

All of the sessions will take place in school and all pupils will be expected to take part in an activity.

We have arranged for pizzas to be delivered towards the end of the sessions, which will be free of charge. There will also be an ice cream van on site for the children to purchase ice cream so please make sure they bring money to school on the day. We are aiming to keep this as a **surprise** for the children, so your discretion would be appreciated! Should your child have any dietary requirements, please do let me know.

If you have any questions, please do not hesitate to contact me.

Yours sincerely,

*N. Hydon*
