

17<sup>th</sup> February 2023

Dear Parents/Carers

### **Interim Report – Spring Term 2023**

I am writing to inform you that your child's interim report is available to view by logging into your Go4schools account. This report is intended to be a brief overview of how your child approaches their school life. A more detailed report will be sent home as a Main Report in the Summer Term.

Go4Schools already provides you with daily, up-to-the-minute information about how your child is doing at school, but this report contains a snapshot of their effort, behaviour and attitude from their subject teachers. It also provides you with and an indication of their projected attainment – what we believe pupils will achieve if they maintain their current effort, given in terms of age-related expectations (i.e. whether they are 'Developing' towards, 'Meeting' or 'Exceeding' the expected achievement for their age).

There will be no subject reports for French if your child is taught by Mrs Dickson as she has not been in school this term.

Please log into Go4schools' desktop site to access your child's report, where you can scroll down and click the 'View report' link. You can then also download, save as a PDF and print copies of the report. Should you be having issues accessing your child's report, do not hesitate to get in touch with me at [s.thompson@codsall-middle.staffs.sch.uk](mailto:s.thompson@codsall-middle.staffs.sch.uk) and I will endeavour to assist you.

#### **Parents' Consultation Evenings:**

This report will be followed by parents' evenings with your child's subject teachers. Following parent feedback we are offering the opportunity for both in person and remotely delivered appointments.

Appointments will be bookable on either:

**Monday 13<sup>th</sup> March between 4:00 – 6:30pm – (In person, in school)**

**Tuesday 21<sup>st</sup> March between 4.00 – 5.25pm (video call) 5:30pm – 6:30pm (In person, in school)**

At this meeting, you can discuss this report and any concerns you have about your child.

#### **Booking Appointments**

Whether you want to attend in person or remotely, appointments will be made on our school cloud booking system, with video calls accessed through the same system. To make the evenings manageable, parents will be limited to making **five appointments per child**. Appointments will be a maximum of 5 minutes.

Please log on to our parents evening booking system to book an appointment to see your child's teachers. <https://codsallms.schoolcloud.co.uk/> . Please use the link '[Parents guide for booking appointments](#)' if you are having difficulties.

For video appointments, it is crucial that you **follow the accompanying information about the process** using the link [How to access video appointments for parents evening](#), as your appointment will automatically end after this time and will not be able to be extended due to the time constraints of the evening.

Booking will open on **Friday 17<sup>th</sup> February** and will close on **Wednesday 8<sup>th</sup> March**.

Please remember, if you cannot make an appointment on either evening, staff will be happy to communicate with you another time, either via email or on the telephone.

We trust that you will find the report informative.

Yours sincerely

*S Thompson*
