

13th September 2022

Dear Parent / Carer,

As we start the new academic year I wanted to take the time to introduce myself to you.

For those of you who have children joining us as new starters, welcome to our school community. This is the beginning of their Key Stage 3 journey and an important step towards preparing them for High School. In my role as Head of Year, along with their form tutor I look forward to supporting your child in having a successful year 7.

Over the course of the year I will be getting to know your child both in lesson and during their free time at break and lunch. I will be championing and rewarding them for their achievements throughout. I will also be leading a residential trip and I will update you once I have confirmed the venue and prices.

If during the year you have any concerns or worries surrounding your child please let us know sooner rather than later so that we can work collectively to resolve them.

Yours Sincerely,

E. Brookes
