Parent Governor Vacancies

Dear Parent/Carer,

We always like to work closely in partnership with parents as we believe that together we can make a real impact on the happiness and academic progress of our pupils. One way that a parent can make a significant contribution to their child's school is to be a governor and we are looking for individuals who have the time and energy to join our governing board and take on an important role in helping our school move forward.

We like our governors to really get to know the school well and help us work towards continuous school improvement, ensuring the best possible outcomes for our pupils. Being a governor requires commitment and a willingness to learn and develop new skills. There are expectations to attend meetings and maintain confidentiality. Our governors participate in training and visit the school so that they really understand what 'makes us tick'. In short, the role is challenging but fulfilling.

If you're interested in becoming a governor at Codsall Middle School, please contact us directly by emailing the school office (office@codsall-middle.staffs.sch.uk) or contact our Chair of Governors, Mr Nick Rose (nrose@codsall-middle.staffs.sch.uk), who would be happy to discuss the role further.

Yours sincerely

Mrs K Reade
Head of School

Codsall Middle School
