Single Equality Policy

2021-2024

The Single Equality Scheme brings together the school's approach equality in our policies and procedures and, most importantly in our day-to-day practices and interactions with the whole school community.

Our schemes include pupils, staff, governors, parents, carers and all those within our extended school community.

We acknowledge that it is very important for us all to work together in achieving our aim of being fully inclusive and accessible and in providing a quality learning experience for all children.

Introduction

The 'Public Sector Equality Duty' means that schools must adopt a proactive approach to equality. In practice, this requires all schools to;

- Take positive and proactive steps to identify potential inequality before they have the chance to make an impact.
- Make changes to ensure that any areas of potential inequality are eliminated.

Legislation

Equality Duties are not new to schools; The Equality Act 2010, The Duty to Promote Race equality came into force in 2002, the duty to promote Disability Equality in 2006 and The Gender Equality Duty in 2007. As of 1st April 2001, the 'General and Specific' duties in promoting equality across the full range of protected characteristics are namely:

- Disability
- Gender Reassignment
- Race
- Religion or Belief
- Sex
- Sexual orientation
- Age
- Pregnancy and Maternity

This policy should be read in conjunction with the following school policies:

- Child Protection Policy
- Disability Equality Scheme & Accessibility Plan
- Behaviour Policy
- Sex Education Policy
- Special Educational Needs Policy
- Anti-bullying Policy

Our Single Equality Scheme (SES) and action plan covers a three year period from **2021 to 2024**. It integrates our statutory duties in relation to race, disability and gender (three equality strands) and in relation to promoting community cohesion.

It also addresses legislation in relation to the religion or belief, sexual orientation and age (three further strands) and therefore includes our priorities and actions to eliminate discrimination and harassment in those areas.

Our Single Equality Scheme and Action Plan enables us to achieve a framework for action which covers all six equality strands and ensures that we meet our responsibilities for the public sector duties in an inclusive way.

We will continue to meet our statutory duties by reporting annually on the progress of the Single Equality Scheme and action plan. This will be reviewed by our board of Governors and we will ensure activity is undertaken in relation to the six equality strands and the promotion of community cohesion.

Policy Statement

- The school acknowledges and welcomes diversity amongst the school community.
- We do not discriminate against anyone, be they child, or adult on the grounds of their sex, age, colour, religion, nationality, ethnicity, sexual orientation or physical or mental abilities.
- We promote the principles of fairness and justice for all through the education that we provide in our school.
- The school is opposed to all forms of racism and xenophobia, including these forms that are directed towards religious groups and communities.
- We respect the religious beliefs and practices of all staff, pupils, parents and carers and comply with all reasonable requests relating to religious observance and practice.
- We ensure that all recruitment, employment, promotion and training systems are fair to all and provide opportunities for everyone to achieve.
- We will make reasonable adjustments, where required in order to improve access to the school buildings, increase access to the curriculum and to improve delivery of information.

Meeting our duties

Under the statutory duties, all schools have a 'General Duty' to:

- Eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by the Equality act 2010;
- Advance equality of opportunity between persons who share a protected characteristic and persons who do not share it;

This means:

- Removing or minimising disadvantages suffered by persons who share a relevant protected characteristic that are connected to that characteristic;
- Taking steps to meet the needs of persons who share a relevant protected characteristic that are different from the needs of the person who do not share it;
- Encouraging persons who share a relevant protected characteristic to participate in public life or in any other activity in which participation by such persons is disproportionately low;
- Foster good relations between persons who share a protected characteristic and persons who do not share it.

Race Equality

The general duty to promote race equality means that we must have due regard to:

1. Eliminating racial discrimination
2. Promoting equality of opportunity
3. Promoting good relations between people of different racial groups.

All racist incidents will be recorded and given to the Headteacher. The Headteacher will record this on the schools record and will follow the Local Authority Procedures for reporting racial incidents.

Disability Equality

The general duty to promote disability equality means that we must have regard due to:

1. Promoting equality of opportunity between disabled people and other people
2. Eliminating unlawful discrimination
3. Eliminating disability-related harassment
4. Promoting positive attitudes towards disabled people
5. Encouraging participation by disabled people in public life
6. Taking steps to take account of disabled peoples' disabilities, even where that involves treating disabled people more favourably than other people.

Accessibility

There is a specific disability legislation in relation to disabled pupils and accessibility which means we must plan strategically over time to:

1. Make improvements to the physical environment of the school to increase access;
2. To increase access to the curriculum;
3. Make written information accessible to pupils' in a range of different ways.

We must ensure that disabled pupils do not receive less favourable treatment and to do this the school has a duty to make reasonable adjustments.

Gender Equality

The general duty to promote gender equality means that we must have due regard to:

1. Eliminating unlawful discrimination and harassment;
2. Promoting equality of opportunity between men and women, boys and girls.

The duty also includes the need to consider actions to address the causes of any gender pay gap.

Transgender

Transgender people are explicitly covered by the gender equality duty. The term transgendered refers to a range of people who do not feel comfortable with their birth gender. The school will respect the confidentiality of those seeking gender reassignment and will provide a supportive environment within a school community.

Community Cohesion

We also have a responsibility to promote community cohesion, developing good relations across different culture, ethnic, religious and non-religious and socio-economic groups. We have incorporated our priorities in to the Single Equality Scheme and Action Plan to make it easier to monitor the progress and performance in meeting the objectives.

We recognise that our school has a responsibility for educating children who will live and work in a country which is diverse in terms of culture, religions or beliefs, ethnicities and social backgrounds., We understand that there are different types of schools in different communities and will promote the interaction of children with those in other schools.

We understand we already have a duty to eliminate racial discrimination and to promote equality of opportunity and good relations between people of different groups.

Age, Sexual Orientation, Religion, Belief, Pregnancy and Maternity

We must ensure that we do not discriminate on these grounds. These schemes must include our priorities and actions to eliminate discrimination and harassment for these equality areas.

In respect of the Freedom of Information Act 2000 and Data Protection Act 1998, any analysis of sensitive information is undertaken by a senior member of the school staff and a synopsis passed to a working party as required.

Consultation

We involved pupils, staff, governors, parents and carers and our wider School community in creating our Single Equality Scheme and action plan, either directly with the school community or through previous policy documents that have contributed to this development. This helped to ensure that the views of potentially disadvantaged groups were fully incorporated in the development of this scheme and action plan.

Examples include:

- Discussions at school council meetings
- Discussions at prefect and house meetings
- Individual parent questionnaires
- Contact with parents and carers (meetings, walk about in the playground before and after school)
- All staff through dedicated staff meeting time
- Discussions at governing bodies
- Discussions within cluster meetings
- Contact with local community groups
- Involvement with local community activities

Equality Impact Assessments

Equality impact assessments is a systematic method of rigorously checking all school policies, procedures and practices to ensure they are genuinely accessible and meet the needs of our staff and the local community in relation to age, disability, gender, race, religion and belief and sexual orientation.

We will undertake assessments to identify the impact or effect (both positive and negative) of our policies, procedures and functions on various sections of the population paying particular regard to the needs of the minority groups. When negative impacts are identified we then take steps to deal with this and to ensure equality of service to all. This piece of work will be supported by our safeguarding governor.

An inventory of existing policies has been undertaken and we are currently undertaking an on-going rolling programme of impact assessment for all our policies and procedures.

Other School Policies

We have used existing School policies to inform our Single Equality Scheme. These include:

- Accessibility Plan
- Anti-bullying Policy
- Behaviour Policy
- Inclusion Policy
- School Development Plan
- Special Educational Needs (SEN) Policy
- Teaching and Learning Policy
- Child Protection Policy

Roles and Responsibilities

The School Equality Scheme will be aligned with the School Development Plan, Self Evaluation Reviews, the School Prospectus, Staff Code of Conduct, Child Protection/Safeguarding Children Policy, the school Website and Minutes of Governing Body meetings, Whole staff meetings and the School Council. Its implementation will be monitored through these review processes as well being updated annually.

Following this regular impact assessment, the whole equality scheme will be reviewed at least every three years.

A whole school approach which includes:

Disability

This section should be read in conjunction with the academy's Special Educational Needs Policy and Accessibility Strategy.

Definition of Disability

The Disability Discrimination Act 2005 (DDA) defines a disabled person as someone who has 'a physical or mental impairment which has a substantial or long-term adverse effect on his or her ability to carry out normal day-to-day activities.'

The DDA 2005 has also extended the definition of disability as follows:

- People with HIV, multiple sclerosis and cancer (although not all cancers) are deemed disabled before they experience the long-term and substantial adverse effect on their activities;
- Section 18 has been amended so that individuals with a mental illness no longer have to demonstrate that it is "clinically well-recognised", although the person must still demonstrate a long-term and substantial adverse impact on his/her ability to carry out normal day-to-day activities.

Legal Duties

The Disability Discrimination Act (DDA) 2005 placed a general duty on schools, requiring them to have due regard for the following when carrying out and delivering services:

- Promoting equality of opportunity between disabled people and other people;
- Eliminating discrimination and harassment of disabled people that is related to their disability;
- Promoting positive attitudes towards disabled people;
- Encouraging participation in public life by disabled people;
- Taking steps to meet disabled people's needs, even if this requires more favourable treatment.

Under our specific duty we will:

- Prepare and publish an Equality Plan which covers the requirements for a Disability Equality Scheme identifying our disability equality goals and actions to meet them;
- Review and revise this Scheme every three years.

Gender Equality

The Gender Equality Duty 2006 places a general and specific duty on schools to eliminate unlawful discrimination and harassment on the grounds of gender and to promote equality of opportunity between female and male pupils and between women and men and transgender people.

Under our general duty we will actively seek to:

- Eliminate unlawful discrimination and harassment on grounds of sex and gender reassignment;
- Promote equality between men and women.

Under our specific duty we will:

- Prepare and publish an Equality Plan which covers the requirements for a Gender Equality Scheme identifying our gender equality goals and actions to meet them;
- Review and revise this Scheme every three years.

Sexual Orientation

The Equality Act 2006 made provision for regulations to be introduced to extend protection against discrimination on grounds of religion or belief to sexual orientation.

The Equality Act (Sexual Orientation) Regulations 2007 came into force on 30 April 2007, and they make discrimination unlawful in the area of goods, facilities and services on grounds of sexual orientation. For schools this means admissions, benefits and services for pupils and treatment of pupils.

Additional grants and resources (such as those provided for free school meal pupils) are appropriately targeted and monitored.

Staffing: Recruitment and Professional Development

Staff opportunities and promotions are made on basis of merit and ability adhering to recruitment and selection procedures which are fair, equal and in line with statutory duties and LA guidelines.

Employer Duties

As an employer we need to ensure that we eliminate discrimination and harassment in our employment practice and actively promote equality across all groups within our workforce.

Equality aspects such as gender, race, disability, sexual orientation, gender re-assignment and faith or religion are considered when appointing staff and particularly when allocating Teaching and Learning Responsibilities (TLR) or re-evaluating staff structures, to ensure decisions are free of discrimination.

Actions to ensure this commitment is met include:

- Monitoring recruitment and retention including bullying and harassment of staff;
- Continued professional development opportunities for all staff;
- Senior Leadership Team support to ensure equality of opportunity for all.

Assessment, Pupil Achievement and Progress

All pupils have the opportunity to achieve their highest standards. Baseline assessment is used appropriately for all pupils. The school ensures that assessment is free of gender, cultural and social bias, and that assessment methods are valid.

The school monitors and analyses pupil performance by gender, ethnicity and background and is therefore able to identify groups of pupils where there are patterns of underachievement. The school ensures that action is taken to counter this.

Staff have very high expectations of all pupils and they continually challenge them to extend their learning and achieve higher standards. The school recognises and values all forms of achievement.

Self-assessment provides all pupils with opportunities to take responsibility for their own learning through regular reflection and feedback on their progress.

All pupils have full opportunities to demonstrate what they know, understand and can do and therefore, to benefit from assessment which summarises what they have learnt. Information from assessment is used to inform future learning.

Staff use a range of methods and strategies to assess pupils' progress.

Behaviour, Discipline and Exclusions

The school expects high standards of behaviour from all pupils.

There are strategies to reintegrate long-term truants and excluded pupils that address the needs of all pupils.

Exclusions will always be based on the school's Behaviour Policy. We will closely monitor exclusions to avoid any potential adverse impact and ensure any discrepancies are identified and dealt with.

The school's procedures for disciplining pupils and managing behaviour are fair and applied equally to all.

It is recognised that cultural background may affect behaviour. The school takes this into account when dealing with incidents of unacceptable behaviour.

All staff operate consistent systems of rewards and discipline as stated within the school's Behaviour Policy.

Pupils, staff and parents are aware of procedures for dealing with harassment. They know that any language or behaviour which is racist, sexist, homophobic or potentially damaging to any minority group is always unacceptable, should be recorded and suitable sanctions imposed.

Admission and Attendance

Our admissions arrangements are fair and transparent, and do not discriminate on race, gender, disability or socio-economic factors.

The admissions process is monitored to ensure that it is administered fairly and consistently to all pupils, so that pupils from particular groups are not disadvantaged.

Comprehensive information about pupils' ethnicity, first language, religion, physical needs, diet etc. is included in all admissions forms which originate from the LA.

The school and families are aware of their rights and responsibilities in relation to pupil attendance and absence is always followed up by appropriate personnel who are aware of community issues.

Provision is made for pupils on extended leave so that they are able to continue with their learning.

Attendance is monitored by gender, ethnicity, special educational need and background and action is taken in order to reduce any disparities between different groups of pupils.

Partnership with Parents and the Community

Progress reports to parents are accessible and appropriate, in order to ensure that all parents have the opportunity to participate in the dialogue.

All parents are encouraged to participate in the life of the school.

The school works in partnership with parents and the community to develop positive attitudes to equality.

Meetings for parents are made accessible for all. Parental involvement is monitored to ensure the participation of all groups.

School events are designed to include the whole community.

Responsibilities

The Governing Body and Headteacher will ensure that the school complies with all relevant equalities legislation.

The Governing Body and Headteacher will ensure that the policy and related procedures and strategies are implemented.

The Headteacher will ensure that all staff are aware of their responsibilities under the policy.

Monitoring and Review

This policy will be regularly monitored and reviewed to ensure that it does not disadvantage particular sections of the community.

The effectiveness of the policy will be evaluated by the member of staff responsible for Equal Opportunities.
